THANK YOU...

Since March 10th, 1969, it has been my family's mission to provide your family the finest subs, superior service in a super clean family friendly restaurant. We strive everyday to achieve this by using only premium-quality ingredients, such as:

- Fresh, hearth baked sub rolls
- Choice Sirloin Steak in our famous steak subs
- Grade A all-natural chicken breast tips in our grilled subs & salads
- All natural chicken tenders cooked in trans fat & cholesterol free oil
- All natural ham, turkey and roast beef sliced in-house daily
- Fresh produce chopped in-house daily

Upon arrival at any Nadeau's shoppe, we want you to feel welcome with friendly and courteous service demonstrating our total commitment to your complete satisfaction.

In order to completely fulfill our mission, our prices may not be as low as some of our competitors due to the fact that premium quality food and service is not cheap and cheap food and service is never premium quality! However, what I can promise you, is when you compare your entire dining experience to our competitors, you will not find a better overall value anywhere.

On behalf of my entire family and staff, I thank you very much for the privilege of serving your family the past 50 years, and I look forward to the opportunity for many more to come!

Kind Regards,
Jeremy Nadeau, Proprietor
